### A few reminders...

With the cold weather starting, please make sure everyone is dressed and ready for the cold and wet. We will continue to welcome students in the morning through the outside classroom doors and dismiss from there as well. If snow or other weather events require changes to entry and exit we will communicate through email and signage at the school. Thank you for your support and understanding. All students will be sent outside at recess and lunch (weather permitting). Please contact Ms. Henderson directly if you have individual questions or concerns.
