MARCH
2026

Welcome back to school, everyone! We hope you all had a restful and enjoyable Spring Break, filled with time to recharge, connect with family and friends, and maybe even enjoy a bit of sunshine. It's wonderful to see our hallways full again with energy, laughter, and the familiar rhythm of school life.

Before the break, March was a month packed with fun, connection, and school spirit. One of the highlights was on Friday, March 6, when our Grade 7 students, under the guidance of Ms. Klassen, led our school in Jump Rope for Heart. This meaningful event brought our community together in support of heart health while raising awareness and funds for an important cause. Students showed incredible enthusiasm, participation, and leadership throughout the day - skipping, cheering each other on, and embracing the spirit of giving back. We are so proud of our Grade 7s for organizing such a positive and energetic event, and of all our students for their participation and generosity. On March 11, our Grade 2 and 3 students participated in Primary Days of Music, showcasing their talents and love of music. It was a joyful celebration of creativity and performance, and we extend a heartfelt thank you to Ms. Berar for her dedication in organizing this opportunity and for keeping music alive and thriving in our school community. Report cards were sent home on Thursday, March 12, providing an opportunity to reflect on student growth and accomplishments. The following day, Friday, March 13, we headed into Spring Break, ready for a well-earned rest.

This week, as we returned to school, we were excited to capture another part of the school year with class and team photos on Tuesday, March 31. We look forward to seeing plenty of smiles and school pride on display! As we turn the page to April, we are filled with anticipation for all that lies ahead. The spring months bring new opportunities for learning, outdoor activities, and school events that continue to build community and create lasting memories. It's always a busy and exciting time of year, and we can't wait to share it with our students and families.

Track & Field Season

Track season is just around the corner! Our coaches will be attending planning meetings in the coming weeks to prepare for the season ahead. Once those details are finalized, information regarding practice times and meet schedules will be shared with families. We are looking forward to another fantastic season of participation, perseverance, and school spirit on the track!
